

The guide below outlines the wealth of studio and build space in the English regions, outside London. England has a highly developed studio infrastructure and boasts some of the largest and most famous sound stages in the world as well as some less well-known gems.

Creative England can help your production source studios, build space, crew, facilities, locations and filming permissions.

Studios over 20,000sq ft

Studio	Sound Stage	Stage 1	Stage 2	Stage 3	Stage 4	Other Stages	Region
